

# A BIG THANKS TO THE BEST DOCTORS.

Cedars-Sinai has been recognized as the most preferred hospital in Los Angeles – with the best overall quality, best doctors, and most personalized care – by L.A. residents for the last 20 years in the *National Research Corporation's*® annual survey. We couldn't have done it without our outstanding medical staff. These extraordinary physicians contribute their skill, compassion and dedication to the highest quality of care for all of our patients.
