LUNG CANCER FOR THE CLINICIAN: *2011 State of the Art Overview of Diagnosis and Treatment*

SATURDAY, APRIL 16, 2011

8:00 AM – 5:15 PM

***Cedars-Sinai Medical Center
Harvey Morse Conference Center
8701 Gracie Allen Drive, Plaza Level
Los Angeles, California***

ACTIVITY INFORMATION

ACCREDITATION STATEMENT

Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians

CREDIT DESIGNATION STATEMENT

Cedars-Sinai Medical Center designates this live activity for a maximum of 7 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSES

The California State Board of Registered Nursing accepts courses approved by the ACCME for category 1 credit as meeting the continuing education requirements for license renewal.

COURSE DESCRIPTION

This one-day live conference is geared to providing the practicing clinician with the latest clinical and translational insights and advances, which are key to providing state of the art work-up and treatment of lung cancer in 2011. Leaders in the field will present the latest on staging, screening, cost-effective work-up, surgical advances and other new targeted therapies in meaningful terms for the clinician. Both non-small cell and small cell lung cancer will be addressed.

STATEMENT OF NEED

In the USA, lung cancer remains the leading cause of cancer deaths in both men and women, which has spurred enormous efforts in clinical, translational and basic research to improve the status quo.

TARGET AUDIENCE

This educational activity is intended for Pulmonary/Critical Care physicians, Internists, Oncologists, Radiation Oncologists, Thoracic Surgeons, General Surgeons, Radiologists, Pathologists, trainees in these areas, nurses and respiratory therapists who see patients with lung cancer.

EDUCATIONAL OBJECTIVES

- Describe the new clinical staging system and the updated pathologic staging considerations for lung cancer
- Identify the new pathological markers used in the diagnosis of lung cancer as potential guides for targeted therapy

- Identify the latest data and options available for the screening of lung cancer
- Differentiate between latest modalities for the work-up of lung cancer, including radionuclide imaging, endoscopic ultrasound, video mediastinoscopy, and PET/CT
- Apply new surgical techniques in the treatment of lung cancer in order to improve patient quality of life
- Differentiate between adjuvant and neoadjuvant chemotherapeutic approaches for the surgical patient
- Identify new radiation treatment modalities for lung cancer patients
- Describe RFA technique used for the treatment of lung cancer
- Describe the molecular biology of lung cancer in simple terms and how it relates to treatment
- Apply the latest on targeted approaches in the care of patients with lung cancer
- Apply the principles of drug discovery for the next generation of targeted therapies
- Utilize the latest treatment strategies for managing patients with small cell lung cancer in order to improve patient outcomes

POLICY ON DISCLOSURE

It is the policy of Cedars-Sinai Medical Center to ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. Cedars-Sinai Medical Center assesses conflict of interest with its faculty, planners and managers of CME activities. Conflicts of interest that are identified are resolved by reviewing that presenter's content for fair balance and absence of bias, scientific objectivity of studies utilized in this activity, and patient care recommendations.

While Cedars-Sinai Medical Center endeavors to review faculty content, it remains the obligation of each physician or other healthcare practitioner to determine the applicability or relevance of the information provided from this course in his or her own practice.

ACKNOWLEDGMENT OF COMMERCIAL SUPPORT

Cedars-Sinai Medical Center gratefully acknowledges the educational grants in support of this activity from Amgen and Genentech. Additional commercial support is pending and will be disclosed at the conference.

7:30 AM REGISTRATION / CONTINENTAL BREAKFAST

7:55 Welcome and Introduction Michael I. Lewis, MD, Course Director

Moderator: **Zab Mosenifar, MD**

8:00 New Revised Staging System for NSCLC Daniel J. Boffa, MD

8:30 Pathology of Lung Cancer: Overview and Update Alberto M. Marchevsky, MD

9:00 Lung Cancer Screening and Imaging Pearls Peter J. Julien, MD

9:30 Radionuclide Imaging Alan D. Waxman, MD

10:00 Panel Discussion / Q & A Session

10:10 BREAK

Moderator: **Robert J. McKenna, Jr., MD**

10:20 Video Mediasinoscopy: Indications, Limitations and Complications Clark B. Fuller, MD

10:50 Summation Algorithm for Work-up of Lung Cancer Robert Figlin, MD, FACP

11:20 Surgical Management of Lung Cancer Robert J. McKenna, Jr., MD

11:50 Adjuvant and Neoadjuvant Treatment of Lung Cancer Barbara J. Gitlitz, MD

12:20 PM Panel Discussion / Q&A Session

12:30 LUNCH

1:10 Welcome Back Jeremy A. Falk, MD, Course Director

Moderator: **Robert Figlin, MD, FACP**

1:15 Radiation Therapy in Lung Cancer, including New Modalities Amin J. Mirhadi, MD

1:45 Radiofrequency Ablation of Lung Tumors Robert Suh, MD

2:15 Molecular Biology of Lung Cancer for the Clinician Steven M. Dubinett, MD

2:45 Panel Discussion / Q& A Session

3:15 BREAK

Moderator: **Ronald B. Natale, MD**

3:30 Treatment of Advanced Lung Cancer, including the Evolution of Current Targeted Therapy Ronald B. Natale, MD

4:00 Investigating the Next Generation of Targeted Molecules in Lung Cancer: Principles and Progress Mark Greene, MD, PhD, FRCP

4:30 Update on Small Cell Lung Cancer Alan Sandler, MD

5:00 Panel Discussion / Q&A Session

5:15 ADJOURN

REGISTRATION

SATURDAY, APRIL 16, 2011

REGISTRATION FEES:	PHYSICIANS	NON-PHYSICIANS
RECEIVED BY MARCH 31, 2011	\$125	\$90
RECEIVED AFTER MARCH 31, 2011 AND ON-SITE (IF AVAILABLE)	\$145	\$100

NOTE:
Residents/Fellows may be eligible to attend this conference at a discounted rate. Please contact the CME Office for further details. Written proof of residency (i.e. letter from Program Director) will be required.

Cedars-Sinai reserves the right to cancel or reschedule programs due to circumstances beyond its control or close registration when programs are oversubscribed. Registrants are advised against purchasing nonrefundable airline tickets until they receive registration confirmation. Cedars-Sinai is not responsible for penalties incurred as a result of cancelled transportation costs.

SPACE IS LIMITED - PLEASE REGISTER EARLY!

Four ways to register:

MAIL registration form and payment
(checks payable to Cedars-Sinai
Medical Center) to:

Cedars-Sinai Medical Center
Office of Continuing Medical Education
Attn: Registration
8797 Beverly Blvd., Ste. 250
Los Angeles, CA 90048

REGISTER ONLINE at www.csmc.edu/cme
and click on CME Courses

FAX completed registration form with
credit card information to (310) 423-0309

CALL (310) 423-5548 to register with a
credit card

CONFIRMATION:

In order to receive a registration confirmation, please provide your e-mail address or fax number. If you do not receive a confirmation, please call 310-423-5548 to confirm your registration.

REFUND POLICY:

All cancellations must be submitted in writing and refunds will be subject to a \$25 administrative charge. No refunds will be given after Friday, April 8, 2011.

We encourage participation by all individuals. If you have a disability, advance notification of any special needs will help us to serve you better.

For further information, please call the Office of Continuing Medical Education at (310) 423-5548 or Email: Marta.Betancourt@cshs.org.
