### Ethics Noon Conference

WEINBERGER-VERMUT LECTURE IN  
GENETICS AND ETHICS

**“GENOMES BEYOND HYPE:  
WHERE IS GENOMICS TAKING US  
(and can we get there without screwing it up)?”**

With Guest Speaker:

**Robert Cook-Deegan, M.D.**

Director, Genome Ethics, Law & Policy,  
Institute for Genome Sciences & Policy  
Duke University  
Durham, North Carolina

**Wednesday, November 14, 2012**

12:00 Noon – 1:00 P.M.

Harvey Morse Auditorium  
South Tower, Plaza Level

Lunch will be available at 11:30 a.m.

---

Objectives for this presentation:

- Discuss the implications of the emerging ubiquity of whole-genome analysis.
- Outline several policy consequences of that ubiquity.
- Explore several specific policy actions likely to occur, including implementation of frameworks for sharing DNA sequence data with individuals and standardization of interpretive frameworks to make sense of those data.
