

PATIENT EDUCATION FORUMS

LEARN ABOUT YOUR OPTIONS FOR SINUS RELIEF

If you are ready for relief from nasal sinus problems, make plans to attend an upcoming patient education forum hosted by the Cedars-Sinai Sinus Center. At each event, a Sinus Center physician will discuss the latest diagnostic, treatment and management services for adult and pediatric patients, including balloon sinuplasty and other minimally invasive sinus procedures. These forums are free and open to the public.

Light refreshments will be served and parking validation is available.

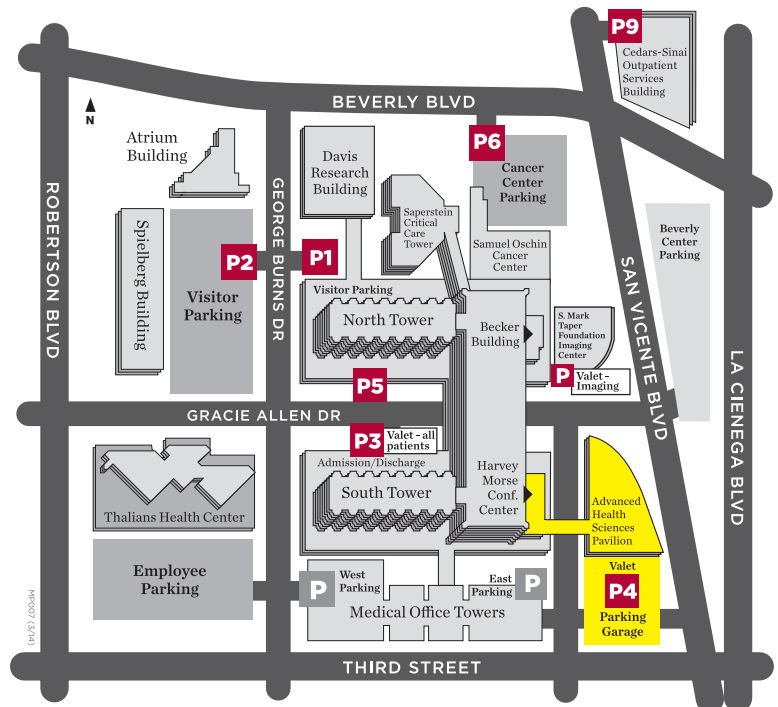

Advance registration is required. To register, please call 1-800-CEDARS-1 (1-800-233-2771) or visit cedars-sinai.edu/sinusconference.
