

Upcoming CME Courses

November

New Therapeutics in Oncology: The Road to Personalized Medicine

November 4-5, 2016

Cedars-Sinai Medical Center, Harvey Morse Conference Center, Los Angeles, CA 90048

9.0 AMA PRA Category 1 Credits™

Learn about drug and treatment updates in oncology and translation of the latest research for your patients. Specific focus on breast cancer, GI malignancies, lung cancer, BRCA, Synthetic Lethality and Immuno-oncology.

Registration: cedars-sinai.edu/oncologycme

Multi-Specialty Plastic Surgery Symposium and the Bernard G. Sarnat, MD Lectureship

November 5, 2016

Sofitel Los Angeles at Beverly Hills, Los Angeles, CA 90048

7.5 AMA PRA Category 1 Credits™

Plastic and reconstructive surgical and nonsurgical procedures vary widely. The demand for aesthetic procedures and reconstruction give rise to numerous new technologies and techniques; however, keeping pace with such advances can be challenging. This year's program will feature content about two hot topic areas - facial transplants and sexual reassignment surgery.

January

Advances in Nuclear Cardiology and Cardiac CT: 32nd Annual Case Review with the Experts with 101 Evidence-based Cases

January 20-22, 2017

Cedars-Sinai Medical Center, Harvey Morse Conference Center, Los Angeles, CA 90048

26.0 AMA PRA Category 1 Credits™

The objectives of the program are designed to meet the current needs of professionals who perform or request nuclear cardiology, cardiac CT or Cardiac MRI studies. Using these studies optimally requires knowledge of best practices for the modalities, from performing to reporting the studies, the evidence base regarding their use, the relevant appropriateness of their use in specific clinical settings, and the treatment options that should be recommended based on the results.

Registration: cedars-sinai.edu/nuclearcardiologymcme

9th Annual Symposium on Neurovascular Disease 2017: Pediatric Neurovascular Disease

January 21, 2017

Casa Del Mar, Santa Monica, CA 90405

8.0 AMA PRA Category 1 Credits™

The 9th Annual Neurovascular Symposium will focus on neonatal and pediatric ischemia and bleeds, detail pediatric vasculopathy and aneurysms, explore cerebral arteriovenous malformations and discuss the screening and treatment of other vascular malformations. Designed to encourage participation and discussion, this one-day CME activity provides an interdisciplinary forum that uses traditional lectures, case presentations, and audience polling and participation.

Registration: cedars-sinai.edu/neurovascularcme

24th International Symposium on Pancreatic & Biliary Endoscopy

January 26-28, 2017

Cedars-Sinai, Harvey Morse Conference Center, Los Angeles, CA, 90048

33.5 AMA PRA Category 1 Credits™

This nationally recognized interventional gastroenterology group is dedicated to evaluating and treating difficult gastrointestinal diseases through advanced endoscopic technologies. Combining innovative research, the expertise and excellence of a multidisciplinary team and state-of-the-art technology, Cedars-Sinai provides a range of services for patients that is matched by few other medical centers. Cedars-Sinai's record for successful outcomes and patient safety in treating pancreatic and biliary diseases is nationally recognized.

Registration: cedars-sinai.edu/pancreaticbiliarycme
