

Less than 30 days remain until the national implementation of the ICD-10 coding classification system. The Cedars-Sinai ICD-10 Project Teams have been preparing for close to three years now and want you to know “We’ve got your back” so to speak.

The ICD-10 project teams’ body of work - education and training, payor testing, system upgrades, dual coding practice, workflow, reporting and charge ticket remediation – has positioned Cedars Sinai Health System to have a successful transition with minimal operational disruption.

ICD-10 Physician and Provider impact sessions continue to be offered in September. The sessions are specialty specific and focus on documentation. To schedule a specialty specific coding review, please contact the Professional Billing Service Education professionals – [Susan.Martinez@csmns.org](mailto:Susan.Martinez@csmns.org).

An extensive online training library is also available in [HealthStream](#). CS-Link specific tips and resources may be found on [CS-Link Central](#) under ICD-10 Implementation. Finally additional resources for providers may be found on the Centers for Medicare and Medicaid Services website - [www.cms.gov/ICD10](http://www.cms.gov/ICD10) . Should you find you are unable to access the Cedars Sinai Intranet, please contact Susan Martinez – [Susan.Martinez@csmns.org](mailto:Susan.Martinez@csmns.org) and she will forward requested resources.

We have established a Go live Command Center to support you and your staff:

- **Command Center Duration/Hours**
  - September 30<sup>th</sup> 11PM – October 1<sup>st</sup> 7PM
  - October 2<sup>nd</sup> – 9<sup>th</sup>:
    - Weekday support is 7AM – 5PM
    - Weekend/After Hours support is available On Call via Help Desk
- **Contact Information**
  - Phone: Help Desk 310-423-6428, Option 6
  - Email: [AskICD10@cshs.org](mailto:AskICD10@cshs.org)

If you feel you or your staff need a more detailed understanding of the impact or have ICD-10 questions, please e-mail Yvonne Mora at [Yvonne.mora@cshs.org](mailto:Yvonne.mora@cshs.org) or [askicd10@cshs.org](mailto:askicd10@cshs.org) .
